A photograph of two young children, a boy and a girl, sitting on the floor in a classroom. They are looking down at a book or a large sheet of paper. The boy is on the left, wearing a light blue shirt, and the girl is on the right, wearing a green shirt. In the background, there are educational posters on the wall, including one with geometric shapes and another with various vehicles. The entire image has a blue tint.

Whichever path you choose...

Our roadmap ensures that children will emerge equipped with newfound skills, strengthened faith, and cherished memories.

Choose your route  follow your heart

bible camp
2024

Set off on an epic adventure from Genesis to Revelation. Campers will sail along on a fun jungle cruise, stopping at the 7 "C's" of History: Creation, Corruption, Catastrophe, Confusion, Christ, Cross, and Consummation. Campers will discover how these events shape our world and learn to reconnect the Bible to everyday life.

It's time to celebrate! Paint some signs, decorate the walls, hang the lights, turn up the music, invite some friends, throw open the doors! **Let's Start The Party at DCA as campers will learn why Jesus is good news.** Learn how He gives us friendship, belonging, forgiveness, abundant life, and purpose.

At this immersive Holy Land Adventure, **campers will get the inside scoop from Jesus' mom and village Shopkeepers.** They'll learn to stand up for their faith among people who doubt that a carpenter's son is really God's son. It's an exploration of the gift, voice and inner strength that every camper has.

We're taking campers deep into an amazing undersea adventure where they'll experience the ever-flowing, never-ending love of God. Campers will be immersed in the Word and discover what living water is really all about! Gear up for lots of water play and fun pool adventures!

What to expect at SAT/PSAT Prep...

Don't send your child to the testing site unprepared. Enroll them in our flexible SAT prep classes for the summer and give them the tools they need to succeed academically.

The SAT is one of the most important standardized tests that U.S.A bound high schoolers will take. The score they receive on it can significantly affect their admission chances of gaining admittance into their dream American school. With SAT season just around the corner, it's time to start thinking about how to prepare your student for this critical exam. As an official SAT Testing Center in Accra, Ghana; enrolling your child in DCA's SAT/PSAT prep classes for the summer is a game changer!

Our summer SAT prep classes can help your child achieve their best possible score. Our expert instructors are highly experienced in teaching the skills and strategies necessary to succeed on the SAT. They'll work with your child to identify areas of strength and weakness and create a personalized study plan to maximize their score.
